

Terms and Conditions - Swim Scheme

York Sport Swim Scheme

All swimmers must comply with the terms of this agreement and our displayed poolside rules.

York Sport Village operates a 50 week scheme which runs throughout the year including the summer months. There are 2 weeks over the Christmas period where the lessons are not on. All swimming memberships paying by Direct Debit are based on this 50 week scheme however they have also taken into account an additional 2 weeks of lessons which may be cancelled for unforeseen circumstances.

All swimmers will receive a personalised wristband for the duration of the swimming lessons. A non-refundable charge of £5 for each wristband will be made on joining the swim scheme.

Membership of the swim scheme is personal to the participant and cannot be assigned or transferred to another person. The lending of a wristband to another person to enable them to gain access to York Sport facilities could result in the termination of your swimming lessons. York Sport reserves the right to charge an admission to anyone arriving at York Sport facilities without a wristband.

In the event of a non-member using a band which is not theirs, the band will be retained at reception for collection by the owner of the band. In the event of loss or theft, a replacement wristband can be purchased from York Sport for £5.

Children who are over 5 minutes late for their lessons will not be permitted to join the class. Parents are not permitted to enter the poolside during lessons.
